Abra HR to MIP Payroll Integration Related Module to Huckstep Timesheets – See Flow Chart Insert

Features

- Allow Sage Abra to do the complicated benefit and deduction calculations without keying the information in Sage MIP Payroll
- Transfer of Human Resource Demographics by mapping the Sage Abra fields to the Sage MIP fields
- Allow single source initial entry in Sage Abra HR with electronic synchronization to Sage MIP Payroll
- Insures consistent information between your Sage Abra HR software and your Sage MIP Payroll software
- Stores multiple rates per employee
